### IJKO International campaign: 'Legal assistance for children in conflict with the law'

31/01/2008

*IJKO / International Juvenile Justice Observatory***International** -

The campaign is available in the three official languages of the IJKO:  
[english](#), [spanish](#) and [french](#).

The International Juvenile Justice Observatory, in order to keep on contributing to efficient strategies that stimulate the international development of policies, legislations and appropriate intervention methods, presents the **IJKO Campaign: 'Legal assistance for children in conflict with the law'**.

The IJKO has carried out a study and analysis on the legal situation of minors in conflict with the law in 175 countries. We invite our users and collaborators to consult the results of this detailed study on the necessity of the right to legal assistance for minor on a global scale. The section IJKO Campaign is a new information and analysis service which provides an international, global and interdisciplinary vision of juvenile justice.

We hope that this **campaign** will raise the awareness and creates commitment concerning the basic right of legal assistance for minors on an institutional and global level.

### France. Third Annual Report 2007. L'Observatoire National de l'Enfance en Danger (ONED)

22/02/2008

*IJKO / Observatorio Internacional de Justicia Juvenil*

**National, France** - Mrs. Pascaline Chamboncel Saligue, Youth Judge and Representative for the Ministry of Justice before the Observatoire National de l'Enfance en Danger (ONED), presents the third annual Report about the Child situation in France, by a message sent to the users and collaborators of the International Observatory of Juvenile Justice.

This report evaluates the context of the legislative reforms in the field of minors protection and delinquency prevention in France.

*IJJ / International Juvenile Justice Observatory*

**European Union** - The International Juvenile Justice Observatory, together with the Research Centre MIGRINTER of the University of Poitiers (France), organised the International Conference on 'The migration of unaccompanied minors in Europe: the contexts of origin, the migration routes and the reception systems', which took place in Poitiers (France), last October.

The International Juvenile Justice Observatory is glad to invite you to **consult the papers presented during the Conference; they are available on video and document format**. We are grateful to all participants and collaborators; by reading these communications, we wish to contribute towards improving the phenomenon of the migration of unaccompanied minors in Europe.

Other available communications:

**International Congress. Phenomena in Juvenile Delinquency: new penal forms. (Spain)**

**III World Congress on Children and Adolescents' Rights. (Spain)**
